

### **Paul Zugger**

Paul Zugger currently serves as the environmental policy advisor for the Michigan United Conservation Clubs. He is also an affiliated consultant with Public Sector Consultants and Limno-Tech, Inc. Paul retired from Michigan state government in 2002, after working thirty-one years with the Michigan Departments of Natural Resources and Environmental Quality. He was Chief of the Surface Water Quality Division from 1983 – 1992, and Chief of the Environmental Assistance Division from 1994 – 2002. In 1993, he served a one-year assignment as special assistant to the Deputy Assistant Administrator for Water, U.S. EPA Office of Water, in Washington, D.C.
